

## Inside Go! – Design and URL Change

**Navigation Structural Change** – Some tabs will change to sub-links:

The following tabs will become sub-links under Inside Go!; Service & Support, Training, Products, and Resource Center\*. See side-by-side example of current and new navigation below:

Note: All users will be required to click the Inside Go! tab in order to access the sub-links for Service & Support, Products, Training, and the Resource Center\*.

\*The Resource Center is currently available in the U.S. and Canada markets.
